

Kevin Thomas Irwan

Studied communication and journalism, and have been working in the industry my whole professional life. I've grown from the typical journalist to someone who understand the depths of this field.

I've tasted both established corporate and startup companies, and has gain valuable knowledge from both experiences.

Personally, I'm a movie junkie, huge fan of sports, and have a secret passion in cooking.

Things you should know.

Why are you seeing this CV?

Obviously I still have a job, and I won't be writing this CV is everything is perfect. There's different factors I want for my professional career, and I'm not the type of person who's afraid of a new challenge. That is why you are looking at my CV right now.

Why should you hire me?

I'm may not have an education from abroad, masters degree, or those kind of education, but I have the passion and drive to always go forward. I'm quiet confident that my experiences can cover my limitations. I can work well within a team, and also capable in stepping up to be the leader.

Education

Bachelor of Communication – Broadcast Journalism

Univeristy of Pelita Harapan Class of 2006
