# CREATIVE SUBSECTOR FOCUS

## Photo, Film & Video Journalism

### Kampung Films

Trying to build Movie & Videomaker Ecosystem in Cianjur and documenting much creative movement which held by local community in Cianjur and share it with independent visual media based on youtube.com

## Graphic Design

### Autobiographic Project

My focus digital design is in Poster Layouting & Magazine Graphic. I was focused on Street art & Mural Movement. So, i combine it between Street Knowledge and New Media Movement for e-magz, e-profile, e-biography like this AUTOBIOGRAPHIC.

## Creative Content Packaging

On the product i've ever made i always give additional stories for marketing tools like Theme song (RAP), Comic, Animation, Video, Photo Concept and Daily, Weekly, Monthly Creative Promotion Content. Blasting on Social Media is also my speciality.

## Travel & Tourism

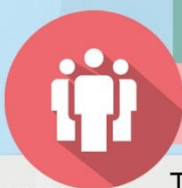

### Visit Cianjur Tourism & Travel

Tourism is the most important thing to rebuild, re-image and also re-produce the individual financial growing of the people in this town.

Cianjur has a great places to be World Class Destination. We believe it can be realized by Creative Packaging and unique promotion.

Me & my team create a start-up [www.visitcianjur.com](http://www.visitcianjur.com)

## SOCIAL IMPACT

**FREEDOM #FreelanceDoMuch**

The social impact of all creative focuses are Human Resources In every project i collect the Freelance worker that i take from school, university and also a jobless people in Cianjur. From project by project i wish it can create much young person to have a great skill and they can be survive with it in the future. So, let the young people be FREEDOM on their age to save and protect this city with Creativity.
