Description

The Hummingbird and the Ladybugs is a hide-and-seek game made especially for children with a unique twist: through the tap of a button, the player can switch from the pursuing Hummingbird to the hidden Ladybugs. The child's critical thinking, judgment and imagination are put to the test as he or she tries to figure out where the ladybugs are hiding by looking around from both perspective. If the player sees a teddy bear through the eyes of the ladybug, then quick! Switch to the Hummingbird and try to see ... more
